THE ALGONQUIN ADVANTAGE

THERE ARE MANY REASONS TO MAKE ALGONQUIN YOUR CHOICE

Wide program selection, instructors connected to and active in their fields, practical industry projects, innovation and entrepreneurship support, work integrated learning, variety of accreditations, high graduate employment rate and of course our Capital location!

At Algonquin, you have options. Explore our offerings and find your perfect fit.

WHY CHOOSE ALGONQUIN?

JOIN THE 1,600+ INTERNATIONAL STUDENTS FROM MORE THAN 100 COUNTRIES WHO STUDY AT ALGONQUIN COLLEGE EACH YEAR.

If you want to gain industry-ready skills and experience in a vibrant, multicultural environment, you will do it at Algonquin College. With over 180 programs and three campuses, we're one of Canada's largest colleges – yet small enough to offer a friendly, student-oriented community atmosphere.

ONE OF CANADA'S LARGEST COLLEGES

More than 22,000 full time students study at the largest English-only college in the Capital region. The main campus is made up of more than 20 buildings – classrooms, labs, library, restaurants, coffee shops, a theatre, gym, fitness centre, and much more – and is like a small city designed especially for our students.

JOB-ORIENTED EDUCATION

Over 180 programs offering applied studies that allow you to gain practical experience through work-integrated learning (WIL), fieldwork or co-op placements. Gain industry-ready skills!

CANADA'S CAPITAL CITY

As the capital city, Ottawa enjoys a high level of entrepreneurship, innovation and economic stability, and MoneySense Magazine ranked Ottawa as #1 in large cities in its "Best Cities to Live in Canada 2015" report.

CARING ENVIRONMENT

Algonquin offers support and resources to International students from application to graduation.

International Education Center's Services include:

DID YOU KNOW?

Did you know that 92% of employers say they're happy with the quality of Algonquin College programs – and the employees they hire from our programs?

These four-year degree programs combine academic learning with relevant industry experience to build the critical thinking skills, practical knowledge, and confidence you need in the field.

All five programs include a co-op component, which translates into paid work experience before you graduate. You can also earn your degree through transfer agreements with universities in Canada and abroad.

PATHWAY TO YOUR PROGRAM

UPGRADE YOUR ENGLISH FOR ACADEMIC & CAREER SUCCESS

The Algonquin Language Institute has offered its English for Academic Purposes (EAP) program for almost 50 years. Courses offer customized instruction in reading, writing, grammar, comprehension and conversation and are available throughout the year. At higher levels, you can further enhance your skills with general education credits that can be transferred into academic programs.
